---

PROFESSIONAL EXPERIENCE

QA Support — Dynamic EMR Healthcare ERP, Paaila Technology | Aug 2026 – Present

- Perform manual QA testing for Dynamic EMR Healthcare ERP across patient and doctor registration, appointments, billing, pharmacy, optical, and surgery modules.
- Verify workflows, identify functional and usability issues, document bugs, and retest fixes through regression testing.
- Test registration types, doctor fees, appointment slots, returns, patient advances, service items, and surgery workflows.

WordPress Developer — InDesign Media | Nov 2025 – May 2026

- Designed and maintained responsive WordPress websites for mobile and desktop users.
- Created banners, posters, and social media creatives using Canva; managed website content and publishing.
- Assisted with website optimization and technical SEO tasks.

Social Media Handler — Shree Ganpati Plastic Bora Udyog

- Managed business social media pages and published promotional content.
- Designed 150+ promotional posters and creatives using Canva.

PROJECTS

Shree Ganpati Plastic Udhyog — Responsive Business Website

Live: https://shreeganpatiplasticudhyog.com.np/ | Code: https://github.com/snehashah2003/SPGU

- Built Home, About, and Contact pages using HTML, CSS, and JavaScript with mobile-responsive layouts and interactive navigation.
- Used VS Code, Git, and GitHub for development and version control; deployed with GitHub Pages and configured a custom .com.np domain, Cloudflare DNS, and HTTPS.

WordPress Website Projects

- Developed responsive business website layouts with clear navigation and mobile-friendly content.

Poster & Social Media Design

- Created promotional graphics and social media designs using Canva.
